DECISION

No. 22, date 30. 5.2024

ON THE REQUEST PRESENTED BY Mrs. S V

Based on law no. 115/2016, *on the organs of the management of the system of justice*, law no. 96/2016, *on the status of judges and prosecutor in the Republic of Albania*, law no. 44/2025, *Code of the Administrative Procedures of the Republic of Albania*, as well as of the Internal Regulation of the School of Magistrates, referring to the request presented by Mrs. S V at the Steering Council, through which she has claimed the review of decision no. 10, date 16.04.2024, *on the approval of the report for the final evaluation of candidates who have applied for the admission test for the academic year 2024 – 2025*, the Steering Council of the School of Magistrates, gathered on 30.05. 2024, notices that:

for the final evaluation of candidates who have applied for the admission test for the academic year 2024 – 2025.

The Steering Council of the School of Magistrates examined the request presented by Mrs. S V, and concluded that in no circumstance or evidence, different from those presented in the School of Magistrates in the moment of the application to take part in the competition of the admission test for the academic year 2024 – 2025, to legitimate the request for the review of the decision making of the administrative body, the Steering Council reasons once again that the applicant, Mrs. S V, does not meet the criterion of the general average grade of the subjects in the program of studies, a requirement which is foreseen by law and by the Internal Regulation of the School of Magistrates.

For these reasons, the Steering Council of the School of Magistrates decided:

The non-acceptance of the request of Mrs. S V for the review of the decision of the Steering Council no. 10, date 16.04.2024, *on the approval of the report for the final evaluation of candidates who have applied for the admission test for the academic year 2024 – 2025.*

This decision comes immediately into force!
